Praxis Licensing Exam Jam Session

Teacher candidates who have taken the Praxis licensing exams as well as those who have not yet attempted these exams are invited to meet in Newby Hall on Tuesday, April 5th at 6:30 PM

Come learn from your peers about ways they successfully prepared for the exams as well as their take of taking in a test center vs using Proctor U testing. Maybe even learn from their mistakes in this informal jam session. Hanover Licensing Advisor Cheryl Torline will also be available to answer your questions about LVIS and applying for licensure in Indiana and other states. Light refreshments.

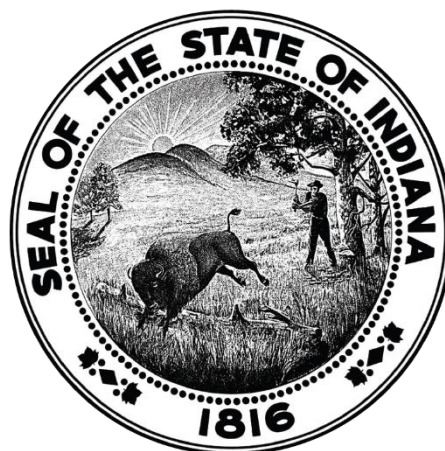

Pi Lambda Theta is one of the nation's most prestigious education honor societies and having it on your résumé gets the attention of employers. Membership also provides an opportunity for you to stand out from the crowd at graduation with gold honor cords and other regalia. The best part? If you're planning to pursue a career in education and have a cumulative GPA of 3.50 or above, you've already earned it. All you have to do is fill out the membership form. It's that easy.
