

1. Tell us what you think overall with regards to the Student Teacher "Share Fair" event?

Very interesting

2. Do you have comments on any aspect of the "Share Fair"?

- Organization? } fine!
- Set Up? }
- Benefits of having? Good to talk to & encourage student/beginning
- Other? teachers

3. Can you give us some specific feedback on student's work?

- Student displays that particularly drew you in?
- What impressed you about certain students or displays?
- Other comments? All students were friendly & eager to share their work.

4. Do you have any suggestions for the success of future events?

Encourage students to take & save photos annually.

Photos get a lot of mileage in grant writing/informing others of innovative work!

Very interesting

**2. Do you have comments on any aspect of the "Share Fair"?**

• Organization?

• Set Up?

• Benefits of having?

• Other?

Great  
Great opportunity for students to explain to educators with whom they have had no previous experience.

**3. Can you give us some specific feedback on student's work?**

• Student displays that particularly drew you in?

• What impressed you about certain students or displays?

• Other comments?

Indian art - 5th or Southwestern  
Student work - not just teacher product

I was able to see displayed in the work what we are pushing for in classrooms. Writing, higher level

**4. Do you have any suggestions for the success of future events**
