Subject: THANK YOU!

Hi Deborah,

I just wanted to brag a little bit on Sarah Bates-Scott, Shelby Thomas, Mary Phillips, Clarissa Harmon, Kaitlin Regan, Lauren McCleary, Acea Holland, and Morgan Cole, who are several of your teacher education students. These young women volunteered to serve as mentors for our "Connecting the Dots" Skype Mentoring Program and have been a wonderful addition to our program. Hanover College can be extremely proud of these young ladies for their services to youth who severely needed a quality mentor to help guide and encourage them.

I know that Abby Deaton of Clay County H.S., Amber Jackson of Clay County H.S., Kailee Nolan of Clay County H.S., Autumn Hobbs of Clay County M.S., Whitney Sizemore of Clay County H.S., Johni Little of Owsley County H.S., Cassidy Johnson of Owsley County H.S., and Ali Wade of Jackson County M.S. have been blessed to have Sarah, Shelby, Maryas their mentors. Their mentors have truly made a difference in their confidence and eagerness to attend college. These young people will never forget their mentors. If ever these students need a letter of recommendation for any job they apply for, I would be more than honored to compose one for them. The students in their future classrooms will be blessed to have them as their teachers and classroom leaders.

Again, thank you, and if you have any more quality mentors like these young ladies please don't hesitate to send them our way. We look forward to possibly working with more of your students in January.

Sincerely,

Terry
